***NADC Bursary Partnerships Program***

The NADC Bursary Partnerships Program is intended to attract graduates to live and work in northern Alberta. Bursary recipients must live and work in northern Alberta within six months of graduation. **Every student selected to receive a NADC Partnerships Bursary must sign a return service contract.** The contract commits the student to live and work in Northern Alberta:

1. In their field of study
2. For a specified amount of time upon graduation, based upon the total value of the bursary.

One month of return service is required for each \$500 of total bursary support. For example: A combined \$3,000 bursary from NADC and MDFP/KP Wood has a return service commitment of 6 months. Alberta Advanced Education and Technology will send the student a contract to commit to live and work anywhere in northern Alberta upon graduation. The NADC will follow up with students to monitor completion of return service. **If students do not fulfill their return service, Advanced Education and Technology will require repayment of the Bursary Partnerships Program portion.**

Do you wish to be considered for matching funds under the NADC Bursary Partnership Program?

Yes       No

***Students should be aware that...***

- Students must not be in default of a provincial student loan

# BURSARY PARTNERSHIPS PROGRAM

**Northern Alberta Development Council (NADC)** encourages employers and community organizations to invest in the future of northern Alberta by sponsoring a return service bursary for post-secondary students. The NADC Bursary Partnerships Program will match between \$1,000 and \$3,000 per student – to a total of \$6,000 per student. Higher matching funds are available for pharmacy or large animal veterinary students (\$6,000 per year), nurse practitioner students (\$9,000 per year), and medical or dentistry students (\$12,000 per year). Sponsors may provide a bursary amount that is higher than our matching fund limits. *(New sponsors, please contact the NADC to set up a Partnerships Bursary).*

Sponsors can provide a bursary to a student for a number of years or can sponsor a number of bursaries in one year to different students.

## Student Selection Process

The sponsor selects the student for their portion of the funding. These businesses and organizations usually advertise through local newspapers, various educational institutions or places of employment. Students must complete the Bursary Partnerships Program Student Application and submit to the sponsor for selection.

The sponsor submits the student's application to NADC for consideration of matching funds. In addition to the sponsor's criteria, applications will be reviewed by the NADC for the following criteria

- Students must be a resident of Alberta for 12 consecutive months before the start of your program
- Students must be enrolled full-time in a post-secondary program designated by Enterprise and Advanced Education
- Students must not be in default of a provincial student loan
- Students must be at arm's length to the sponsor (not related and also selected through impartial means)
- Students must have reasonably good prospects for employment in northern Alberta upon graduation
- Students cannot receive both the NADC Bursary and the Partnerships Bursary during the same school year
- Students can receive more than one Partnerships Bursary; however, the total matching funds from NADC cannot exceed \$3,000 in the same academic year.

## Return Service Commitment

- Enterprise and Advanced Education will send the student a contract to commit to live and work anywhere in northern Alberta upon graduation (one month of return service is required for each \$500 of total bursary support).
- If the sponsor plans to employ the student following completion of studies, the sponsor can also sign a contract with the student and can tailor the contract to suit the organization or company's needs.
- Recipients who do not meet the return service commitment must repay the bursary. Please note that Advanced Education and Technology can only recover their portion of the funds, and cannot recover funds on behalf of a sponsor.
